for 2 - 30 Guests

\$2,895

for 31- 50 Guests

Our Enchanted Moments Package offers a truly special and memorable experience, setting us apart from traditional farm venues. At our farm, guests aren't confined to a single space or two; instead, they journey through multiple unique seasonally themed environments, each offering its own charm and ambiance. From the rustic themed social hour to engaging animal encounters where you can snap pictures with micro- and mini-Highland cows, alpacas, mini goats Baroque donkeys, and other friendly heritage farm animals, the day unfolds seamlessly.

The gathering continues with a picturesque program under mature trees, optionally followed by dining and lounging in additional areas guests can utilize—from a chic poolside gathering to a shaded banquet area surrounded by nature, all against the backdrop of stunning panoramic views. This flow allows you and your guests to enjoy a variety of beautiful features and interactions in one cohesive event, making every moment unforgettable.
