

Preparing for Your Visit & Farm Policies

Thank you for booking a **visit to Howe Ranch** — we look forward to hosting you! Please review the following safety guidelines and farm policies carefully, and **confirm that you have read and shared them with your group**. These experiences are **only possible with the full support and cooperation of our guests**.

Arrival Guidelines - No Early Arrivals

- **EARLY ARRIVALS STRICTLY PROHIBITED:** Guests **must not** arrive before the event start time. Entry is **strictly prohibited before your scheduled time slot**. Early arrivals disrupt operations, **compromise safety** while moving animals, and **will not be accommodated**. Please arrive on time or after start time. You will not miss anything by arriving after your scheduled time.
- **PRIVATE ROAD LAWS:** Stopping or staging on the private farm road is prohibited. Strict **15 MPH speed limit** on the monitored, unpaved street leading to Howe Ranch — **speeding will result in loss of your pass(es)**.
- **ARRIVAL:** Turn left at the WELCOME sign, pass through the gate, and follow signage.

Animal Interactions & Safety

- **NO DOGS:** For the safety of our animals and guests, our farm **cannot accommodate dogs**. Most of our animals are prey species, their reactions would make the encounter unsafe for all, and we have trained livestock guardians to protect from unknown canines on site.
- **SAFETY:** Wear sunscreen, a hat, and closed-toed shoes. **Important:** Bring water for hydration.
- **SUPERVISED ONLY:** For your safety and the safety of our animals, **please do not approach any animals until staff has reviewed safety guidelines with you and is present**.

If you arrive and do not see a staff member immediately, **please call or text Spencer Howe at (424) 219-4212** and remain in the designated waiting area. We might be assisting other guests or preparing animals for your experience.

Transferable Only — No Refunds or Reschedules

Experiences (open farm day passes/private experiences) are **transferable**, but **not refundable**, and **cannot be rescheduled**. As our focus is on animal care and our resources are perpetually at capacity, we are unable to accommodate changes — please do not call to request exceptions. If you transfer your experience, we must receive the guest's name prior to arrival.
