

# Winter Wonderland

## The Enchanted Moments Package: \$2,495 *for 2 - 30 Guests*

Our Winter Wonderland Celebration package offers an elevated, immersive holiday experience — magical, cozy, and full of charm. Instead of being limited to one single venue setting, guests move through a series of curated winter vignettes across the farm — each with its own ambiance and photo-worthy atmosphere.

From festive holiday-themed social hour spaces, to enchanting animal encounters where guests can feed and snap pictures with micro- and mini-Highland calves, alpacas, Baroque donkeys, and fowl, the day unfolds as a boutique holiday journey. Bottle feeding of our youngest cow babies is included in this experience.

Your celebration continues under mature trees and twinkling lights, with festive colors seasonal décor, followed by dining and lounging in beautifully staged winter scenes — including market stalls, and banquet settings — all with panoramic city and mountain views as your backdrop.

This flow allows each guest to wander, discover, interact, and experience several distinct “moments” through the property — one cohesive Winter Wonderland story — making every scene and every photograph feel different, intentional, and unforgettable.

All items below are included in the Winter Wonderland Celebration package unless marked as Add-On.
