

The Enchanted Moments Package

\$2,495

for 2 - 30 Guests

Our Enchanted Moments Package offers a truly special and memorable experience, setting us apart from traditional venues. At our farm, guests aren't confined to a single space or two; instead, they journey through multiple unique venues, each offering its own charm and ambiance. From the rustic themed social hour to engaging animal encounters where you can snap pictures with micro- and mini-Highland cows, alpacas, Baroque donkeys, and other friendly heritage farm animals, the day unfolds seamlessly.

The gathering continues with a picturesque shower program under mature trees, optionally followed by dining and lounging in additional areas guests can utilize—from a chic poolside gathering to a shaded banquet area surrounded by nature, all against the backdrop of stunning panoramic views. This flow allows you and your guests to enjoy a variety of beautiful features and interactions in one cohesive event, making every moment unforgettable.
